

Academic Talk Routine

1. Read the Academic Talk Words and Phrases.

Look at the Academic Talk box in your book. Listen as your teacher explains the words and phrases. Ask for clarification if you don't understand any terms.

2. Read the Introduction.

Circle the Academic Talk words and phrases as you read them in your book.

3. Practice the Academic Talk Words and Phrases.

Challenge yourself to use the words and phrases three to four times in today's discussions.

4. Use the Academic Talk Words and Phrases.

Throughout the lesson, use the words and phrases when you talk or write about a text.
