

- Write the Vocabulary Word that best completes each sentence.

Today, a group of visiting dogs came to our school. The dogs were very friendly, so I was (1) _____ with them. The first dog to (2) _____ me and lick my face was Rosie.

The only pieces of (3) _____ she needed were a harness and a leash. I tried to be very gentle with her. The trainer said it was also important to be (4) _____ so Rosie could understand my commands. We had a great time together. I would recommend the visiting dog (5) _____ to anyone who feels lonely and loves animals.

- Complete each sentence with a Vocabulary Word.

6. If you agree to meet people at a certain time you are making an _____ with them.

7. If you really believe in yourself, you are very _____.

Write three sentences about somebody who could be helped by a visiting dog. Use at least one of the Vocabulary Words.
