

Read the directions for making a Wish Kite. Then answer the questions below.

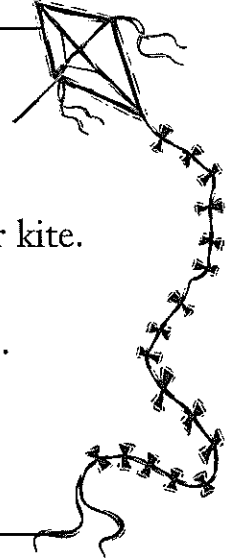

Make a Wish Kite

Materials

sticks
newspaper
rags
paper
scissors
pencil
string

Directions

1. Cut the newspaper into a diamond shape.
2. Cross two sticks, and tie them to the newspaper kite.
3. Write wishes on pieces of paper.
4. Knot the wishes into rags to make the kite's tail.
5. Tie string to the kite, and fly it.
6. For the Wish Kite to work, there should be no wishes in the tail when the kite is taken down.

1. What is the first thing you need to do to make the Wish Kite—cross two sticks or cut newspaper? _____
2. What is the next thing you need to do—cross two sticks or make kite tail? _____
3. Then, what do you need to do—knot wishes into rags or write wishes? _____
4. Finally, what do you need to do—fly kite or make tail with wishes? _____

What has to happen for the Wish Kite to work?

Write a wish that you would tie into a Wish Kite's tail.
