

## Math

Aim/Skill/Concept:

Students will determine whether they have mastered the prerequisite skills critical for the chapter accurately.

Materials

Student's math practice book pages 117-118 and 119, and a pencil.

Assessment:

The students will work the problems on page 117-118 and 119 independently to show what they know within 80% accurately.

Student Homework

Text Book

Workbook

Worksheet

No Homework

Lab(s) / Link(s) / Podcast / TED Talks needed for above assignment.

## Science

Aim/Skill/Concept:

The students will experience and learn the properties of a volcano accurately.

Materials

Warm water, white vinegar, food coloring, baking soda and the homemade volcano.
