

Math

Aim/Skill/Concept:

Students will determine whether they have mastered the prerequisite skills critical for the chapter accurately.

Materials

Student's math practice book pages 95- 96- and 97, and a pencil.

Assessment:

The students will work the problems on page 95-96 and 97 independently to show what they know within 80% accurately.

Student Homework

Text Book

Workbook

Worksheet

No Homework

Lab(s) / Link(s) / Podcast / TED Talks needed for above assignment.

Science

Aim/Skill/Concept:

The students will learn the properties of a volcano accurately.

Materials

Science worksheet and a pencil.

Assessment:

The teacher will discuss with the class. Then the students will show what they learned on a science worksheet within 90% accurately.

Student Homework:

Text Book

Workbook
